

HOnline Mobile App

You can access your benefits through the HOnline mobile app. Both Apple and Android users can access many of the features available on our desktop site.

Key Features

- Access digital ID cards for you and your family
- View and search for claims
- View your plan status (deductible and out-of-pocket)
- View a summary of your coverage

How do I get the new app?

Search for "HealthComp" in the Apple App Store or Google Play from your iPhone, iPad or Android device and download the HOnline app.

How do I access my HOnline account?

Open the HOnline app on your mobile device. Enter your Username and Password and tap Log In. If you do not have an HOnline account and would like to create one, tap "Don't have an HOnline account? Sign up." This will take you to the New User Registration page.

Access Digital ID Cards for You and Your Family

You can access digital ID cards using the HOnline app. Just download the app, sign into your HOnline account, and tap **Cards**.

You can also access your digital ID card on the web at: honline.healthcomp.com
